

Live Well Leeds

Community Based Mental Health Service Service User Newsletter

Existing mental health services delivered by Touchstone, Community Links, Leeds Mind and Making Space will continue to run as usual until 31st March 2019.

People who are still eligible for current services when they end will be able to transfer to the new service and continue accessing support.

You should have now received a letter about the changes to existing services and asked for your consent to transfer your data to the new service.

Live Well Leeds will not be accepting any new referrals into the service until May 2019.

There are still co-production opportunities to help with the mobilisation of the Live Well Leeds service.

The next meeting will be held on:

Wednesday 6th March

10-12pm

Community Links, LS14 1AB

If you would like to attend please email yourviews@touchstonesupport.org.uk to confirm and detail any support you may need to attend.
